

Date \_\_\_\_\_ Title of Book \_\_\_\_\_ Author \_\_\_\_\_ Name & Position of Reviewer \_\_\_\_\_ Suggested Grade Level \_\_\_\_\_

**How do I ensure that the novel/book I select is Core Concept Compliant**

**Explanation & Definition**

**Core Concept compliance means that every part of the content either openly or passively supports all of my organization's core concepts and any conflicts are supplemented with alternative material that is either passive or openly supports my core concepts.**

**Support means that the content is directly advocating, teaching or presenting in a way that assumes that the core concepts are accepted fact.**

**Passive or silent means the content doesn't strongly push the concept or is not mentioned at all, but the reader can still assume the core concepts are accepted fact.**

**Conflict or contradict means that the content in whole, or in part is in conflict with any one or more of the concepts.**

Core Beliefs	Support	Passive	Conflict	Notate any conflicts		Reviewer Notes
