			Policy Title: Student Help Class Policy # 51			
			Student Help Class Policy # 51			
The purpose of the help class is to provide the student with the opportunity to work on missing concepts with the help of a teacher.						
A help class will be offered for 25 minutes before school from 7:30am to 7:55am. The afternoon help class will begin at 3:45pm and align with the after school music program. Students will work on missing concepts and catch up plans. Teachers will provide instruction on missed concepts to ensure that students receive any help they need to meet the school wide goal and expectation of 100% mastery.						
PURPOSE:						
To provide students with the opportunity to complete home and catch up plans with the teachers help.
