			Policy Title: SBO Policy and Procedures				
			Student Body Officer Policy and Procedure				
We will have a governing body of elected student officers to help build student character, fun activities, morning procedures, assemblies, birthdays, and other student-centered events.							
The student body officers will be elected by the school student body, grades second through fifth. A primary election will be held in April in which the top two candidates for each student government office will be chosen by the student body grades second through 5th. A final election will be held in May in which the officer for each student government office will be chosen by grades second through fifth.							
The elected student body officers for the coming year will be sworn in to office with an oath detailing their moral, academic, and governing responsibilities at the field day assembly, and student body retreat. They will take an additional oath detailing their responsibilities to the entire student body and school on the first day of school.							
All student body officers will be required to uphold their oaths the entire year. If any student body officer does not uphold their oath, that student will be removed from their office and replaced with the non-elected candidate from the final election if that candidate still qualifies for the office.
