		Policy Title: Ensign Learning Center Vision Statement			
Vision		Ensign Learning Center Vision Statement			
Our students have the desire and ability to achieve the highest standard of excellence in everything they endeavor, including living the Gospel of Jesus Christ, building a firm foundation, and reinforcing their future success and the success of the Kingdom of God. .					
Our students continuously progress academically, spiritually, and in all other ways, and have the highest social and character skills. They are an outstanding example for all others to follow.
